meet at Fordham University, New York City, on Tuesday of Easter Week, April 14, 1936, has been gratefully accepted. The topic of the symposium "Anthropological Data Bearing upon the Natural Moral Law" will, it is hoped, appeal to those interested in theology, philosophy and ethics as well as to those interested in cultural anthropology.]

INDEX TO VOLUME 8

Bibliographies, human evolution, 53-56; aborigines of District of Columbia, 70-71
